## ANGELO CERAMICA

Michelangelo Buonarroti is one of the greatest and most important artists in the history of world art. He was an Italian sculptor, painter, architect and poet. Angelo is an Iranian/Italian ceramic brand and actually tries to create a bridge between these two Iranian and Italian cultures. Our designs are inspired by natural surfaces and textures, classic and contemporary art, cultural symbols and the latest trends. Our goal is to increase market standards by producing new, high-quality and elegant ceramics so that the living environment can be functional and beautiful.

## 80 x 160 cm

Ceramic tiles sized 80×160 cm are considered slab ceramics that have become very popular in recent years due to their modern and luxurious appearance. Thanks to their large dimensions, they create fewer grout lines, giving spaces a cleaner and more seamless look. They are commonly used in spacious areas such as living rooms, lobbies, and interior feature walls.

Le piastrelle in ceramica di dimensioni 80×160 cm sono considerate lastre di grande formato, molto popolari negli ultimi anni per il loro aspetto moderno e lussuoso. Grazie alle loro ampie dimensioni, creano meno fughe, conferendo agli ambienti un aspetto più pulito e uniforme. Sono comunemente utilizzate in spazi ampi come soggiorni, hall e pareti interne decorative.
